

# GHF Reopening Policies

Glasses Half Full is open on an **appointments basis** for most eyecare services. To schedule an appointment, or to access the office with a pre-scheduled appointment, you may either:

- Text the GHF Text Message Hotline @ 587-566-3855
  - Call the GHF Medical Phone Line @ 780-540-3855
- 

The GHF Team will continue to wear face masks as a default safety precaution. For all guests and patients, masks are recommended but are not mandatory.

If the office reaches capacity with our existing appointments, we may lock our doors. If our doors are locked, please contact us using the methods above & we'll still be happy to help!
